The instructor will be Al Joseph a retired Lieut. from the Rochester, NY Police Department presently living in Ft. Myers, Florida. Joseph served nearly 33 years assigned in both plainclothes, uniform and as a supervisor to the following units: tactical, burglary, gambling, prostitution, narcotics, robbery, sex crimes, auto theft and homicide with a reputation of getting quality confessions in all these assignments. Author and instructor retired Lieut. Al Joseph has taught Interview, Interrogation and Legal Issues all-across the US for over 40 years. Joseph is the author of the highly acclaimed book, "We Get Confessions" which further details the strategies taught in the seminar and online course.

This two day course will cover the following:

LEGAL ISSUES: Miranda Decision – when and how to mirandize a suspect and when not to. Quit blowing cases because of bad advice and watching too much T.V.

PREPARING FOR COURT: How to conduct lengthy interrogations and be prepared to answer any and all questions during Court proceedings. We need to arrest and help convict!

TRUTH AND DECEPTION: How to detect if a person is lying to you during any type interview. Very important to know because why would they lie?

GAME PLAN: An entire game plan for getting legal confessions. Don't wing it anymore. New techniques are helping us like DNA but getting a confession from the suspect and showing it to a jury is absolute dynamite. Our game plan starts from the crime scene and ends in the interrogation room. Very important part of our game plan is how all of us who has contact with the suspect treats him and we are very careful of the words we use when talking to him. Many, many, many times we make the suspect LAWYER up which means we just helped the suspect.
